Executive Office } Helena July 27th 1885

To the People of Montana,

The death of Ulysses S. Grant, has taken from the people of the United States their most illustrious citizen, His public career embraced the most eventful period of our History since the struggle for Independence. His achievements as a soldier were adorned by a magnanimity in the hour of complete triumph which causes victor and vanquished to mourn alike our irreparable loss, and the discordant cries fictional hate and party passion if unhappily such exists - Are hushed at his grave,

It is proper that we showed evidence our appreciation of his great service to the country and our respect for his character.

Therefor I request the citizens of the Territory to observe the day fixed for the

funeral of Gen Ulysses S. Grant by abstaining from their usual labors and amusements and by appropriate religious services in their places of public worship

A Proclamation.

Whereas, By virtue of and pursuant to an act of the legislative assembly of the Territory of Montana, entitled "An act to suppress and prevent the dissemination of contagious and infectious diseases among domestic animals and Texas cattle" approved March 10, A.D. 1885, it is my duty, when I shall have reason to believe that any contagious or infectious disease has become epidemic in certain localities, by proclamation to schedule such localities and prohibit the importation from them of any live stock into this Territory except under such restrictions as I after consultation with the Territorial Veterinary Surgeon may deem proper; and

Whereas, I have reason to believe, upon the representation of the Board of Stock Commissioners and the Territorial Veterinary Surgeon, that conditions exist which render domestic animals and Texas cattle in any and all of the counties of the following named States and Territories viz: New York, New Jersey, Pennsylvania, Maryland, Delaware, District of Columbia, Virginia and Texas, liable to convey disease.

Now, therefore I, Samuel T. Hauser, Governor of the Territory of Montana, by virtue of the authority conferred upon me by said statute and pursuant to the terms thereof, do hereby schedule the localities hereinbefore named and I do hereby strictly forbid the importation into the Territory of any cattle whatsoever which have been brought from any portion of said scheduled localities or any one of them except upon certificate of the Territorial Veterinary Surgeon that such cattle have been subjected to a quarantine of ninety days and except Texas cattle that have been driven overland all the way from Texas and which are accompanied by a veterinary's certificate of health.

And I do hereby further forbid the importation into this Territory of any and all cattle driven or shipped from any other State, Terri-

or country unless the same shall be accompanied by a certificate of health, given by the veterinary surgeon of said State, Territory or Country or this regularly appointed and authorized deputy who shall have carefully examined all such cattle immediately prior to the giving of such certificate. And all such cattle shall be examined at such station or stations as shall be designated by the Territorial Veterinary Surgeon.

And I do hereby warn all persons, corporations and companies whomsoever, not in any manner to violate or attempt to violate the prohibition herein contained, or contained in said act.

And I do hereby direct all Sheriffs, Constables Stock Inspectors and other peace officers within this Territory to keep strict watch, and to be vigilant and see to it that all the commands of this my Proclamation are obeyed and respected; and to arrest any and all persons violating the same. and I further direct all such officers to report to me, without delay, all such violations of this proclamation.

By His Excellency the Governor.

A Proclamation.

Whereas, By virtue of and pursuant to an act of the legislative assembly of the Territory of Montana, entitled "An act to suppress and prevent the dissemination of contagious and infectious diseases among domestic animals and Texas cattle" approved March 10 A.D. 1885, it is my duty, when I shall have reason to believe that any contagious or infectious disease has become epidemic in certain localities, by proclamation to schedule such localities and prohibit the importation from them of any live stock into this Territory except under such restrictions as I after consultation with the Territorial Veterinary Surgeon may deem proper;

Whereas, I have reason to believe, upon

the representation of the Board of Stock Commissioners and the Territorial Veterinary Surgeon, that conditions exist which render domestic animals and Texas cattle in any and all of the counties of the following named States and Territories, viz: Illinois, New York, New Jersey, Pennsylvania, Maryland, Delaware, District of Columbia, Virginia and Texas liable to convey disease.

Now, therefore, I Wm B. Pfaff, Acting Governor of the Territory of Montana by virtue of the authority conferred upon me by said statute and pursuant to the terms thereof, do hereby schedule the localities hereinbefore named and I do hereby strictly forbid the importation into the Territory of any cattle whatsoever which have been brought from any portion of said scheduled localities or any one of them, except upon certificate of the Territorial Veterinary Surgeon, that such cattle have been subjected to a quarantine of ninety days and except Texas cattle that have been driven overland all the way from Texas and which are accompanied by a veterinary's certificate of health.

And I do hereby further forbid the importation into this Territory of any and all cattle driven or shipped from any other State, Territory or country unless the same shall be accompanied by a certificate of health given by the veterinary surgeon of said State, Territory or country or his regularly appointed and authorized deputy, who shall have carefully examined all such cattle immediately prior to the giving of such certificate.

And all such cattle shall be examined at such station or stations as shall be designated by the Territorial Veterinary Surgeon.

And I do hereby warn all persons, corporations and companies whomsoever not in any manner, directly or indirectly to violate the prohibitions herein contained or contained in said act.

And I do hereby direct all Sheriffs,

Constables, Stock Inspectors and other peace officers within this Territory to keep strict watch and to be vigilant and see to it that all the commands of this my proclamation are obeyed and respected, and to arrest any and all persons violating the same; and I further direct all such officers to report to me, without delay, all such violations of this proclamation.

In Testimony Whereof I have hereunto set my hand and caused the Seal of the Territory of Montana to be attached at the City of Helena, the Capital of said Territory, this 4th day of October A. D. 1886

SEAL.
